Keep Mandeville Beautiful Adopt-a-Block: Watch for details about our Fall Clean-up Effort! The director of Keep Mandeville Beautiful is looking for volunteer PUPPETEERS to participate in environmentally themed puppet shows. Personal Empowerment Group (PEG) participation is one of your membership perks!

We're looking for another PEG Leader for the September/October time-frame. Dian Lusher's PEG filled up immediately and we're hoping that she'll offer her Prosperity PEG again in the future. PEGs are small groups of WIP members who meet 3-6 weeks. It's a wonderful way to connect with other WIP members and an opportunity to learn a lot about who you are! If you're interested in leading a PEG, please contact Jax Frey at 985.377.3324 or jaxart@charter.net.

Habitat for Humanity Women Build!

WIP has signed up to help build a home in The Groves in Covington on Saturday, October 29 from 9 a.m. to 3 p.m.!

This is the development that WIP Member Moe Clary spoke to us about a few months ago! Here's the link where you can go to donate your \$30 for the Women Build program. Once you've donated your money and indicated that you're participating in a group, Katie said that the easiest thing to do is **send her an email stating that you are volunteering for the Women Build Program and that you are a Women of Infinite Possibilities Volunteer on Saturday, October 29.** This will guarantee that you will be assigned to the WIP Women Build team! Spots are limited. Sign up today! Since it is close to Halloween, I warned Katie that some of us may be in Halloween costumes and she said that she'd expect it! Just make sure you tie back your long hair and wigs and that your costume doesn't have long-flowing sleeves!
